

DELTA 5-90 B HIGH COVERAGE VEST

The Delta 5-90 B is a high coverage tactical over vest with adjustable shoulders and sides. The side straps are protected by the front flap which creates a larger surface area for more Molle to be added.

The vest has internal plate pockets for adding hard Armour. The Molle system makes the vest versatile when attaching accessory pouches, creating flexible positioning preferences for the end user.

The Groin, Neck and shoulder Protectors and Drag handle can be added as an option. The groin, neck and shoulder protectors are easily deployable. This comfortable vest can be worn all day, everyday.
